

# Croft CPA Charity Newsletter

## Happy Christmas from the Croft CPA!

### Croft Family Picnic

The term got off to a fine start with the announcement of our two chosen charities for the next two years, and a wonderful Croft Family Picnic on Saturday 26<sup>th</sup> September to launch our fundraising efforts. The weather was fine and the day was a huge success for the CPA with lots of very happy families enjoying the fun and games and of course donating brilliantly to get our charity fundraising off to a wonderful start raising **£233.09**

Some of our Year 2 parents decided to have a charity coffee morning this term and they raised **£100** so a huge thank you to them!

### Christmas at The Croft

All too soon the CPA moved in to planning for our Christmas events, the main event this year was Christmas at the Croft. Jenny Farrell very kindly donated the most enormous Polar Bear asking that the proceeds be added to the funds for the two charities; thank you to Jenny. This is the first time we have tried a 'name the bear' and we would certainly do this again, the children were all very excited and our Little Crofters winner was absolutely

delighted. Well done Emme! We also decided to run a raffle at the pre prep shows as well as at Christmas at the Croft which was enormously successful. Along with the Bottle Tombola, the raffle and the Polar Bear were all brilliant fundraisers for our two charities, bringing in a grand total of **£1,416.00**

***We look forward to sending you another update next term, and in the meantime would like to wish everyone at Olivia's Vision and Stratford Cancer & Eye Hospital Appeal a very Merry Christmas and a very peaceful and prosperous New Year.***

***With best wishes, The Croft CPA***

### Michaelmas Term events:

- Croft Family Picnic
- Year 2 Coffee Morning
- Christmas at the Croft

***In total this term, the CPA is really pleased to have raised an amazing***  
***£1,749.09***

***for Olivia's Vision and Stratford Cancer & Eye Hospital Appeal, and we can't wait to keep adding to this next term with two events already planned and advertised!***

Emme with her wonderful Polar Bear!
